

# Cleaning Service of the Year

## Art Cleaning Services

Art Cleaning Services delivers exceptional commercial cleaning services throughout the Midlands. Celebrating their 20th year in operation, their experience allows them to deliver superior cleaning and a service that is second to none. Providing a one stop solution for all deep cleaning needs, Art Cleaning offer a convenient, effective and high quality solution for a range of services, from windows and high level work to professional carpet cleaning.

The Corporate LiveWire judging panel were initially impressed with Art Cleaning's advanced methods and cleaning techniques. Art Cleaning utilise the latest technologies, such as hot pure water technology whilst still maintaining proven traditional cleaning methods for the best of both worlds. As a result of their high standards Art Cleaning has built long-lasting relationships with its regular clients, which include the University of Birmingham, NHS, Sytner BMW, Hotel du Vin, Nottinghamshire County Council and Edgbaston Cricket Ground.

Lead judge Jake Powers commented: "Art Cleaning have proven themselves to be professional, hard-working, and reliable. Their high customer retention is testament to their industry knowledge, attention to detail and commitment to customers."
